

Shown with hinging access flap.

NATURE BIN™

MADE IN THE USA

The Nature Bin exemplifies the importance of recycling by displaying pristine vistas of the Alaskan Wilderness. The natural beauty of our environment is perhaps the greatest motivator in gaining recycling compliance. This sturdy unit is not only extremely functional but will add an aesthetic point of interest to any location.

Thank you in advance for your participation and we look forward to a successful program!

- Patented A-Bin™ design assembles in minutes.
- Tapered lid provides clear visibility and repels unwanted objects.
- Unique bag locking system enables single or double sided, multi-sort collection.
- Galvanized steel hardware will not rust.
- Includes high quality printed identification decals.
- Made of 30% post industrial recycled plastic.
- 100% recyclable.
- Printed with fade resistant, UV inhibited outdoor inks.
- The Nature Bin™ is a low impact, high efficiency product designed to minimize the use of plastic, packaging, and fuel in transit.
