# SLIMCYCLE WITH INDICATORS

MADE IN THE USA

Rich aesthetics and color matched labels make it easy to integrate this slim bin to fit your facility. Choose from blue, green and brown all with different shaped deposits to help distinguish your collections. Includes hinging lid. Priced to sell and built to last.

- Aesthetically enhanced high imagery print with riveted aluminum corners and deposit bezels.
- Includes color matched vinyl labels to designate recyclables, trash and compost.
- Easy to carry with hinging handle on the back side.
- Conveniently separate materials at the point of collection with various access shapes. Available shapes are round bottle & can, paper slit, universal, as well as a square opening for landfill or compost.
- Never lost hinging lid makes servicing convenient.
- Snap tight lid stays down in position.
- Bag lock keeps available liners in place.
- Save on fuel, freight, and storage- The SlimCycle ships flat and assembles easily.
- Slimcycles are made from 30% post industrial plastic and are 100% recyclable.
